Style, Savings and Safety

Ideal for fast-paced casual dining, corporate cafeterias and outdoor service, these classic diamond point design tumblers offer the look of glass without the risk. These durable tumblers help minimize the cost of replacing broken glass and also allow personalization to enhance your branding.

- Easy to clean internal stacking ring promotes stable and space-efficient storage.
- Secure with tight fitting disposable Camlids® to prevent spills.
- Made of durable SAN material, resists chips and breaks.
- High temperature dishwasher safe.
- Personalization available.
- NSF Listed.

Serve children's beverages in these reusable tumblers to reduce environmental impact and cost.
